

“It’s easier to
DENY REALITY
than to admit that
your values and
beliefs are wrong.”

Scorpions Of Southern Africa by Jonathan Leeming

The 2003 edition of *Scorpions of Southern Africa* heralded a new era in scorpion conservation, understanding and appreciation. In 2019, I’m proud to announce my latest revision of *Scorpions of Southern Africa* which will continue to inspire and educate. Available at your local bookshop or online retailer.
