

**"There is no such thing
as a scorpion problem,
only a perception of reality
problem."**

Jonathan Leeming

Scorpions Of Southern Africa by Jonathan Leeming

The 2003 edition of Scorpions of Southern Africa heralded a new era in scorpion conservation, understanding and appreciation. In 2019, I'm proud to announce my latest revision of Scorpions of Southern Africa which will continue to inspire and educate. Available at your local bookshop or online retailer.
